

Reaching Out To Strengthen Family Life

# Outpatient Services

## Our History

Family Outreach Center was formed in 1979 as a solution to community leaders concerns about the deterioration of family life in the 'urban core' of Grand Rapids.

## Our Mission

*'Leading the way in promoting healthy family living by reaching out to underserved populations and those who are low-income in our community.'*

## Our Services

We have quality outpatient mental health, substance use disorders, education, prevention and support services for children, youth and families. We provide the support individuals and families need to be successful through all phases of life.

## Our Staff

Family Outreach Center is committed to maintaining a culturally diverse and experienced staff.

Outpatient Services provides mental health, substance use disorder and support services to promote healthy living for children, adolescents, adults, and families. Our Program works to reduce the incidence of mental health and substance use disorders. We invest in family and support the individual and their family in their recovery process.

We take pride in offering services that addresses the needs of children, youth, adults and families in the least restrictive environments.

## Services include:

- Individual Therapy
